1 First section title

Text for the first section.

2 Second section title

Text for the second section.

New paragraph in second section.

A titled paragraph! Another paragraph in the second section. And an illustration—I say, “hey!”, right now—of, for example, different kinds/types of (not necessarily needed) punctuation; was that last bunch of words and stuff a sentence? I don’t think so. . . . But I could be wrong.
